COMEDY CORNER

Holy Land Tour

A man and his ever-nagging wife went on vacation in Jerusalem. While they were there, the wife passed away.

The undertaker told the husband, "You can have her buried here in the Holy Land for \$150 or we can have her shipped back home for \$5,000."

The husband thought about it and told the undertaker he would have her shipped back home.

The undertaker asked him, "Why would you spend \$5,000 to have her shipped home when you could have a beautiful burial here, and it would only cost \$150???"

The husband replied, "Long ago, a man died here, was buried here, and three days later, rose from the dead. I just can't take that chance!"

The Wit of Scots

A Greek and a Scotsman were sitting in a Starbucks cafe discussing who had the superior culture.

Over triple lattes the Greek guy says, "Well we Greeks built the Parthenon" and arched his eyebrows.

The Scotsman replies, "Well ... it was the Scots that discovered the Summer and Winter Solstices."

The Greek retorts, "We Greeks gave birth to advanced mathematics."

The Scotsman, nodding in agreement says, "Scots were the ones who built the first timepieces and calendars."

And so on until the Greek comes up with what he thinks will end the discussion. With a flourish of finality he says, "The Greeks were the ones who invented sex!"

The Scotsman replies, "Aye, that is true, but it was we Scots who introduced it to the women!"
